

BYHASAN MULTI PERKASA

COMPANY PROFILE

BYHASAN MULTI PERKASA

Security and sense of safety is a crucial asset for the smoothness of an activity, enterprise, project, or individual.

Preface,

The Indonesian development that is ongoing in a fast-pace in every sector, particularly in infrastructure for the advancement of the Indonesian society, yet along with such, then the problems that require a special attention are becoming increasingly complex due to its impact potentials to the stability of the nation that hinders its progress.

Security must address a sense of comfort, safety, and order, so that it impacts the productivity of work. The disruptions in security and order if left alone can have broad impacts and can become a very serious problem and will prompt Security Apparatus to take part and involve themselves within the aforementioned problems.

PT Byhasan Multi Perkasa (hereinafter referred to as "BMP") as Your Partner, are here to aid in the creation of sense of comfort, safety, and order, thus, on 19 July 2012, we established ourselves with the name PT Byhasan Multi Perkasa which engages in the field of Security Service Management are ready to dedicate and become the right partner in aiding in the creation of sense of safety, order, and comfort.

BMP provides services related to the sense of safety, order, and comfort which prepares its personnels skilful and educated abilities.

ABOUT US

BMP is a company providing Security (Satpam) Services that is committed in providing the best Security Services through professional, educated, and skilled personnels.
